Railway Credit Note and Warrant System.

READ—

Government Order No. R. S. 1856-59—Ry. F 75—O. L. of 1932-33, dated 11th April 1933, directing that the revised rates of Rs. 16 per hundred warrants or credit notes with a minimum of Rs. 4-8-0 passed by the Indian Railway Conference Association be adopted and recovered from the several Departments of Mysore Government making use of the credit note and warrant system with the Mysore Railways if and when they are adopted in Railways in British India.

2. Letter No. 263, dated 9th December 1933, from the Agent, Mysore Railways, stating that the revised rates have been given effect to from 1st April 1933 on Railways in British India and requesting sanction to the adoption of the revised rates on the Mysore Railways also with effect from the same date, 1st April 1933, though it might involve revised calculations and revised bills on account of arrears for the past seven months payable by the departments concerned.

ORDER NO. FL. 4982-5041—G. F. 269-33-2, DATED BANGALORE, THE 21ST FEBRUARY 1934.

The adoption of the revised rates in question would result in additional charge being thrown on the Civil Departments by Railways. If the Civil Departments do not choose to bear the increased expenditure, it is open to them not to make use of the credit note or warrant system, but to pay in cash.

Government are accordingly pleased to sanction the Agent's proposal to levy revised rates for the sake of uniformity. The revised rates will not have retrospective effect but will take effect from the date of the sanction now accorded.

This sanction covers only the Mysore Railways and separate orders will issue in regard to Foreign Railways.
